6. [] - JMM) Met with Senator Stuart Symington who gave me a copy of a letter Ed Braswell had written to Symington summarizing his telephone conversation with Miles Copeland. Symington suggested that John Warner, OGC, who was mentioned in the conversation, should prepare an affidavit regarding his knowledge of the matter involved.

Symington said that he would be glad if Ambassador Helms called him upon Helms' return to Washington on Saturday, 24 November, preferably around 8:30 or 9:00 in the morning.

Symington said his present inclination was "let all the St. Georges and Copelands have their say" and after they had done so he planned to go on the floor of the Senate and make a major speech rebutting their allegations.
